#LessWallsMoreWild.

RUGGED ADVENTURE. STUNNING BEAUTY. GLAMP WITH THE INDUSTRY'S BEST.

Stout Tent has earned our reputation as the quality and service leader in the Glamping Industry. We are a woman-owned, full-service tent company that has been steadily building our event client base while manufacturing, selling, and renting our canvas tents over the last decade. Our work with other event and rental businesses, Airbnb owners, retreat operators, and a diverse range of music festivals, and multi-day wedding celebrations across the nation, has given us the ability to create a glamping and event formula that allows hosting of family and friends simply and comfortably.

Being makers allows us to bring our client's dreams and visions to life. We've manufactured custom tents, delivered custom shade structures and awnings, and provided branded tent shades. We want your guests' stay to be memorable and comfortable, which is why we offer AC Units, Heaters, Safari Tents, Glamping Bath Suites, Lounge Tents and a variety of additional options to enhance the glamping experience.

Producing large-scale events, especially in unique outdoor terrain, requires a level of expertise that can only be gained from experience. At Stout Tent, we are committed to our clients and go above and beyond to adapt to the fluid nature of every event we are privileged to attend.

TRANSPORTATION & INSTALLATION

Transport

- We travel from one of our Stout Tent bases to your venue location.
- Transport and labor fees are calculated based on round-trip mileage

Install & Strike

- Install times vary based on terrain and # of tents. Most events with 25 or less tents can be installed the day before guest's arrival, with finishing details completed the day of your event.
- Strike begins at check out and will be completed as quickly as possible.

Labor

- Stout Tent sends an experienced Event Leader to each event.
- Our team will be off-site but nearby, unless onsite concierge is selected.

SERVICES & PRICING

Services Offered

Our Durango event tents have their roots in the traditional nordic Kata tents used by the Sami people of northern Europe. The tents are conical in shape with sturdy earth toned canvas wrapped around natural timber poles that reach 24 feet at the peak. They are made to withstand the elements with high quality weatherproof and flame retardant canvas.

The best part about adding these spacious tents to your event is their versatile design. Multiple tents can be linked together with walls up, down, or a combination of the two, making them the perfect option for any event during any season. With the walls raised they provide a spacious, airy event space during warmer months. Keep the walls down in the chillier months to create a warm, cozy onsite venue.

Whether you're hosting a corporate retreat, festival, or a beautiful outdoor wedding celebration, our Durango event tents will help you create an unforgettable, stunning venue for your guests that is as unique as you are..

Pricing

Durango event tent rentals start at \$4500 plus transportation and labor. Please contact us for an exact quote for your event.

Power Options

Who should add power to their tent package?

Are you creating an “unplug and retreat” event, or do you want to provide your guests with all the amenities of home? Take this into consideration as you think about power options.

Consider power options if your guests won't be able to conveniently charge their devices elsewhere, or if access to laptops or phones is an important part of the event. Power packs are a great choice for guest devices. If you want string lights or A/C units in or around your tent accommodations or lounge areas you'll also want to consider power options.

Choose from the package selections, and contact us to confirm the number of tents, location, and length of time you'd like the tents powered (8 hours, overnights, 24 hours)

Power Components A La Carte:

\$29 - 50ft Extension Cord
\$3 - Triple Tap
\$8.05 - Power Strip

POWER PACKAGES

POWER CORD AND TRI-TAP INSTALLATION

\$32 per tent

This package includes a 14-gauge power cord or better, and a power strip/tri-tap as well as onsite installation and maintenance.

Distribution boxes

STANDARD PACKAGE

\$200/ per tent, flat fee

This package includes a generator(s), distribution equipment, extension cords, power-strip/tri-tap, on-site installation and maintenance.

You'll need this package for the following add ons (unless you're supplying your own generator):

- Festoon lighting
- AC Unit
- CPAP

Run-time is up to 8 hours per day (nights typically)

***Hours can be added, but that will push you into Boosted Power tier.*

BOOSTED POWER PACKAGE

\$300+ / per tent

Generator(s), distribution equipment, extension cords, power-strip/tri-tap, on-site installation and maintenance.

Just like the standard package but with a longer run time for larger events or multiple add ons. Will power the following

- Festoon lighting
- AC UNIT
- Lights
- Laptop
- CPAP
- Mini Fridge
- Hair Dryers
- Phones

Run time is over 8+hrs of run-time/day

LIGHTING OPTIONS

Who should add lighting to their event?

Each of our Glamping Tent Packages come with lighting for the inside of your tent, but you may want additional lighting to light the path to the tented area or provide lighting in your gathering space. All choices are battery or solar operated, no generator needed.

Festoon Lighting is a great option for the large Durango event tents, or put them on shepherd hooks to light a path or designated area. Lanterns on shepherd hooks are also a great option for a pathway or for the outside of each tent.

WE OFFER

- + Generators
- + Power distribution equipment (Spider Boxes)
- + Extension Cords to each tent
- + Power Strip/Tri-tap for each tent
- + Installation
- + On-call maintenance for any issues, should they arise.

SAFARI GLAMPING BATH SUITES

A common question when planning an outdoor event is "What do we do about restrooms?" We have a solution - The Safari Glamping Bath Suites.

These modular bathrooms were created and manufactured by Stout Tent, and are quickly proving to be the hottest new item to hit the glamping scene. Built on wooden platforms, these luxe bathrooms are fully functioning with a real flushing toilet, traditional sink, and hot shower! They are 10' X 12', leaving plenty of space to move around and get dressed. No more closet showers out of a portable trailer!

Only need showers? The Safari Glamping Bath Suites modular ability allows us to create a shower tent. Two showers in one suite. We use gray and black tanks and hire professionals to properly dispose of water and waste.

Dressing room add ons: Lighting, decor, dressing table, mirrors, heaters, and AC units can be added to this rental.

RENTAL FEE

Bathroom Suite rentals start at \$4,500 each (depending on options) and require additional water and waste fees. Please contact us for a full quote.

DID YOU KNOW?

Stout Tent Glamping Bath Suites offer comparable and competitive pricing with portable restroom companies. Keep it simple, keep it styled, choose Stout.
